

Wednesday Dance Jam Training Scholarship Application

It is RDDP's intention is to make this application easy and not triggering as we understand asking for assistance can be challenging for many people. As a charity we do however need some basic information for our yearly budgeting and reports (reporting the number of people we serve).

Please describe the situation that puts you in need of a training scholarship:

Information on the training scholarship:

- Training scholarships are given from year to year (calendar year).

- All training scholarships are done on a pay what you can basis. If you are just taking the class and not staying for the jam you will need to pay on a sliding scale between \$10 and \$3. If you are staying for the Jam you can pay on a sliding scale between \$15 and \$8 (for both the class and the Jam). So everybody will pay something towards the cause of keeping the Wednesday jam financially healthy.

- Sometimes we have a door person and sometimes we work on the honour system. On the days we have a door person, people approved for a scholarship will be on the list that the door person will have and you will need to give your name to the door person.

- Please remember that come the New Year the scholarship list is blank until people contact us to renew their scholarship if the need for one still exists (email kathleen.rea@reasondetre.com to do so) or new people apply.

- Everyone who has a training scholarship is required to do two doorperson shifts a year from 5:45 pm to 8:30 pm (please let Kathleen Rea know the dates you have chosen and she will let you know what your duties are)
